Subject: ScienceMatters Review

Hey CTE Comms Team,

Attached is a draft Science Matters article featuring the publication that came out of APCRA's first case study. So far, Katie Paul-Friedman and Dayna Gibbons have provided edits on the piece.

I'm now looking for your review from a comms and center perspective.

Please provide comments by **10/11** if possible. I will need to incorporate comments and send to the CSS NPD team and Kacey Fitzpatrick/Maggie Sauerhage by 10/15.

Thanks in advance for your help!
